

Key C/D

## No One Else

C      Dm7      G                      C Em7 Am  
No one else could love me like You do  
            Dm7                      G                      C C7  
No one else could care for me the way You do  
            F                      G  
I feel Your presence every day  
            Em                      Am  
Know Your love in every way  
            Dm7      Gsus4 G G7 G6 C  
No one else could love me like You do
