

It's All About Love

Verse 1

How beautiful the feet of him that brings,
A gospel of good and glorious things,
Of Jesus Christ the Lamb of God,
Who died for us to take away our sin
And it's all about love, all about love
The gospel of your Son, is all about your love

Verse 2

A love that raised Him from the dead,
With mighty power the one whose blood was shed
Now King of Kings and Lord of Lords,
He took away our shame, gave us life instead
And it's all about love, all about love

Verse 3

Love that will hold nothing back,
Love that will never let us go,
Love that overcomes all fear
And only asks we trust in you alone
And it's all about love, all about love,

Refrain

And it's all about love, all about love,
The gospel of your Son, is all about your love

It's All About Love

Verse 4

A love that placed the Spirit of your Son,
Within the hearts of those who have believed
Father such a priceless gift,
All by grace and freely received
And it's all about love, all about love,
The gospel of your Son, is all about your love

Verse 5

With patience we await the day
When You'll appear and wipe all tears away
And the glory of our God will be revealed
In everyone who lets you have your way
And it's all about, all about love,
The gospel of your Son, is all about your love
