

## **Lord, I Thank You**

Key G#

Lord, I thank You, for all You've done for me.  
For calling me, unto to You; new life to receive.  
Melt me, mould me, into Your perfect will.  
Have Your way, in my life, this I pray, this I pray.

You, are my Father, I am Your child.  
Nothing, in this world, could ever take Your place.  
Teach me, show me, how to walk with You.  
Have Your way, in my life, this I pray, this I pray.
